- **Other:** Git & GitHub, npm, Restful API, Redux & redux-toolkit, React-router

Soft

- Problem-solving
- communication
- Teamwork
- Continuous learning

Projects

Wanderly

03/2023 – 04/2023

Wanderly is my impressive travel web app that features an intuitive UI for seamless hotel and flight searches. Users can sign up and log in to access advanced features like recent search history and the ability to add destinations to their favorite list.

- Built an intuitive travel web app from scratch using React, Redux Toolkit, React Router DOM, and Tailwind CSS, delivering a top-notch user experience that stands out.
- Integrated Auth0 for user authentication and authorization, ensuring user data remains secure and private
- Designed and developed a powerful hotel search feature with advanced filtering options by price and rating, allowing users to quickly find the perfect accommodation
- Implemented a flight search feature with easy filtering options by price and the number of stops, allowing users to find the best deals on flights
- Built a "Favorite Destinations" feature that allows users to add popular destinations to their favorite list, displayed on their profile page when logged in
- Designed a "Recent Searches" feature on the home page that enables users to view up to three of their most recent hotel searches, with full access to all recent searches when logged in.

Technologies used:

- React
- Auth0
- React Map GL
- Redux Toolkit
- React Router DOM
- Tailwind CSS

Education

Front-End Bootcamp, Re:Coded ↗	03/2023 – present
• Re:Coded's highly competitive Frontend Bootcamp boasts a 5% acceptance rate. • The program emphasizes hands-on projects, industry mentorship, and collaborative learning to foster a supportive and inclusive environment. • Graduates gain skills and experience in building responsive, accessible, and engaging user interfaces using HTML, CSS, JavaScript, and React. • The program prepares graduates for entry-level positions in the web development industry. • Re:Coded's career development services facilitate a successful transition into the workforce.	
Business Administration, Ain Shams University	09/2016 – 06/2020
