Professional Experience

Customer service representative,

SPC Training Company 

01/2018 – 05/2019 | Cairo, Egypt

I accomplished some achievements across online classes by providing the ability to attend the classes online.

- Working in a multitasking system.
- Provide escalated customer support.
- Responded to customer complaints and resolved issues.
- Attracting potential customers by answering product and service questions, and suggesting information about other products and services.
